FIFTEEN CENTS

PARKS GETS DONATIONS — From left, 885 Civic Club President Will Gers, and Northern Illinois Conservation Club President Bob Lindquist present \$300 each to Glenda Tomaschik, Antioch Parks coordinator, center. Money will be used to purchase tumbling equipment for fall dance and gymnastic classes.

Rte. 173, Deep Lake Rd.

Install light at bad intersection

by GLORIA DAVIS

Something is finally being done to correct the traffic accident problem at one of the most dangerous intersections in the Antioch area.

An all-the-way stop and a flashing overhead red light is on the work sheet of the Illinois Department of Transportation (IDOT) and is set to be completely installed at the intersection of Deep Lake Rd. and Rte. 173.

According to Ralph Wehner, district engineer for IDOT, the light's installation should be completed by Oct. 31.

Wehner said that this move is a temporary measure and plans are on the books for permanent flashing lights to be installed there inside of two years when the proposed widening of the road at that spot has been completed.

It was a letter written to IDOT by State Rep. Robert Churchill (R-Lake Villa) that was part of the impetus resulting in the planned installation of the traffic signals.

Churchill said he had written to IDOT asking them to investigate the accident situation and see if traffic signals were merited at that intersection as a safety measure.

IDOT's investigation shows that there have been a total of 34 accidents and 56 injuries at that intersection from 1979 through 1982.

There have also been numerous accidents just before and just after the intersection, some fatal.

Tony Osnacz, studies unit engineer for IDOT, reported that the stats gathered by his department show that there were 11 accidents and 25 injuries in 1979, five accidents and six injuries in 1980, 13 accidents and 17 injuries in 1981 and five accidents that incurred eight injuries took place there during 1982.

Accident statistics for the particular intersection for 1983 and 1984 are not available yet.

More charges coming

Haley get 3 to 10 years

William Haley, Antioch, owner of Blarney Island in the Chain O'Lakes was sentenced to a mandatory three to 10 years in prison by Palm Beach County Judge Richard Burke on Sept. 21.

Haley will not be subject to parole until after he serves the first three years of that sentence reportedly in the Lake Butler State Prison.

At press time Haley was still in the Palm Beach County Jail but his transfer to the state prison was imminent.

Haley was convicted of drug trafficking in connection with the confiscation of a plane carrying \$450,000 worth of marijuana at a Florida airport in April of 1982.

According to Palm Beach County Assistant

States' Atty. Jerome Davis, the prosecutor in the case, it is also expected that Haley will be brought back to Chicago sometime soon to face several federal charges of drug trafficking as charged in indictments issued from U. S. Atty. Daniel Webb's office.

These charges include one of continuing criminal practice which carries up to a 30-year jail sentence.

Haley was just returned to Palm Beach County from Chicago where unconfirmed reports had him negotiating with the federal government.

Ira Raffelson of Webb's office will release no information on the purpose of bringing Haley to Chicago.

Township levy up 12%

According to Antioch Township Supervisor Jim Fields the new township levy of \$527,723 has been approved by the township board.

The budget proposed at the Aug. 23 meeting had been \$572,756.

According to Fields this would have been an increase of 21.5 percent over last year's levy of \$471,309. Fields said that the largest single item on that proposed budget was the Antioch Township Library budget which was proposed at \$205,000.

The library board was asked to cut its budget as much as possible and re-present it as that figure showed a 69.4 percent increase over last year's library budget of \$121,031.

At the Sept. 4 meeting the only change in the township's budget figures was that of the library which was dropped to \$159,976 or an increase of \$38,945, a 32 percent increase over 1983's library figure.

The total increase in the approved township's budget is 12 percent.

According to Fields only four percent of that can be credited to the township itself and eight percent is accounted for by the raise in the library budget, mostly for needed improvements.

The general town fund went up 7.4 percent or from \$185,950 to \$199,756. The general assistance fund went down slightly from \$115,317 to \$115,000 or a decrease of .3 percent. The retirement fund went from \$49,010 to \$53,000 or up eight percent.

Cops catch two while burglary in progress

by GLORIA DAVIS

The Antioch Police caught two burglars invading a home on Trevor Rd. just north of the village and turned the case over to the Lake County Sheriff's Dept. when it was found that the burglary was really in the sheriff's jurisdiction.

Eric Mozur, 19, Lindenhurst, was caught hiding inside of the Ray Kerby residence after Kerby's daughter called the police when she returned home at 12:30 a.m. on Monday, Sept. 18 and found a strange car parked in the driveway.

The Antioch Police also arrested Alan Stevens, 20, Lake Villa, who was found passed-out inside of the car which had possession from the house inside of it.

Mozur has been charged with residential burglary and has admitted to at least one other area burglary.

Stevens, who was not charged in the Kerby incident, admitted to taking part in four other area burglaries.

Both are presently out on bond awaiting preliminary hearings set for Tuesday, Sept. 25 in Lake County Court.

Good news in The News

Rotary Club

The Rotary Club of Antioch is looking for high school sophomores interested in spending their junior year living and attending school in a foreign country.

Requirements are excellence in school performance, citizenship, and character. Foreign language experience is beneficial but not mandatory. Qualified interested students should see Jane Abramson, Antioch High School student counselor.

Hunters Safety

The Antioch Parks & Recreation Dept., in cooperation with the Antioch Jaycees, is holding a Hunters Safety Class on Oct. 6 and 7.

On Oct. 6 it will be held at the State Bank of Antioch from 9 to 2 p.m. On Oct. 7 it will be held at the Scout House from noon to 5 p.m.

The course is free and cookies and pop will be provided. If one wants lunch, either money for McDonalds or a sack lunch is required.

This certification is accepted in Wisconsin as well as Illinois. For enrollment and information call Glenda at the Parks Office at (312) 395-2160.

Future classes for Trappers Education and Snowmobile Safety will be held at future dates. Call Glenda at (312) 395-2160 for more information on these courses.

QUEDENFELD ON SAFETY—Jimmy Quedenfeld from the Antioch Fire Dept. talks to Antioch kids about fire safety at NICC campout.

ACHS teachers ask for board resolve

by GLORIA DAVIS

Approximately 60 Antioch High School (ACHS) teachers and 10 parents were in attendance at the last regular meeting of the Board of Education of the Antioch High School on Sept. 20.

The teachers had not asked to be put on the agenda but Fran Waible, English teacher at the school, spoke for the educators present in encouraging the board to approach the next teacher-contract negotiations, set for Oct. 8, with a resolve to try for a fair settlement that will please both sides.

With mediation in progress, reports have the teachers and the administration still far apart on contract language and the subject of salaries.

Other motions approved at that meeting include new administrative staff and coaches

manuals that have some minor changes in them and approved supporting the Village of Antioch's proposed tax increment funding district.

In other business, Principal Art Blecke presented the board with a proposal for the formation of a "Show Choir" as an extra-curricular activity within the fine arts department.

Bleck also told the board about the multimedia presentation at class assemblies, the good attendance at the year's first two dances; the Homecoming activities on the first weekend of October and a request for participation in Antioch's first "Old Fashioned Christmas" in November.

According to Curriculum Director Gary Allen the official enrollment count at the high school is at 1,700.

Arrest Nolan for car theft

John Nolan, Jr., 29, Antioch, has been arrested in Houston, Texas, on a warrant charging him with being the leader of a large Lake County auto theft ring.

Nolan jumped \$2,500 bond in Lake County in August after being arrested on the same charges.

The Round Lake Beach Police Dept.

which, along with the Lake County Sheriff's Dept., has been working on the case, reported that Nolan was driving one of the cars he allegedly stole from Lake County Chrysler-Plymouth in Waukegan when he was arrested on a nationwide all points bulletin.

Plans for Nolan's return to Lake County for trial were being made at press time.

The game of badminton is a present-day form of an earlier and simpler game called battledore, which British officers learned in India.

ACHS Homecoming to be on Oct. 5, 6

Antioch High School will present the 1984 Homecoming Show, "The Rainbow Connection" in the North Gym, at 7:30 p.m., Friday, Oct. 5.

The three and one-half hour show will include the presentation of the 1984 Sequoit football teams, coaches and cheerleaders.

To enhance the weekend, which culminates in the

parade at 10 a.m. on Saturday, Oct. 6, followed by the football games at noon and 2 p.m. and the Homecoming Dance at 8 p.m., an entertainment packed evening has been planned.

This will include performances by the Antioch Marching Sequoit Band and the award winning pom-pom squad. Topping off the evening, the student council

has contracted with "Juice" to provide entertainment for all age levels.

"Juice" is a modern show band. During the "Juice" performance at the end of the evening, the Commons will be opened for a parent and alumni social mixer for those so inclined. Refreshments will be available throughout the evening.

The entire production will be offered by ticket only. Pre-sale tickets prices will be \$3 for adults and \$2 for children under 12 years of age.

All tickets sales at the door will be \$5 regardless of age. Tickets will be offered for sale in the general office of the high school and in the high school commons by the student council members.

Float building for the 1984 Homecoming will be done in two days again this year.

Float building will begin on Thursday, Oct. 4 from 4 p.m. to 9:30 p.m.

On Friday, Oct. 5, selected students will be excused from classes to work all day on the float from 8 a.m. to approximately 10:30 p.m.

The sites will be selected and announced to the students involved. Faculty supervision will be provided.

NICC plays host to kids at camp

The Northern Ill. Conservation Club (NICC) hosted in excess of 70 area children at its annual Conservation Camp-out on Sept. 15 and 16.

The grounds of the NICC's wildlife refuge were bursting with energy as the kids hurried to prepare camp and enjoy the fun.

On Saturday they were whisked off by bus to the Fish Hatchery at Spring Grove where they enjoyed a very educational tour on fish rearing and the fish inherent to the Chain-O-Lakes.

From there the bus left for

the Chain-O-Lakes State Park and a fabulous nature walk.

The two-and-one-half miles of rolling hills and breathtaking marshlands were gazed upon in amazement as they stopped periodically along the way to listen to various geological narrations.

From there it was back to the camp for a safety instruction by the Antioch Fire Dept. and a magnificent bonfire and prayer ceremony conducted by Rev. Steve Williams.

From there the bus left for

Wis. girl, 13 dies in car crash at border

by GLORIA DAVIS

The crash of a car that traveled 264 feet after it left the pavement proved a fatal one as far as 13-year-old Valerie Mays of Camp Lake was concerned.

The accident occurred at 8:30 p.m., on Sept. 27 on Wilmot Rd. just north of Lake Ave., in unincorporated Lake County.

The accident was so close to the Wisconsin-Illinois border that Kenosha County rescue squads were sent to the scene.

The police and emergency services had a hard time finding the accident because the car was so far off of the road.

Valerie Mays was pronounced dead at the scene by the Lake County Coroner's office.

Two passengers who had left to get help were the dead girl's sister, Chris Mays, 14 and the car's driver, David Buckingham, 18 of Lake Villa.

According to the two Buckingham's car

was headed south on Wilmot Rd. when another car going north crossed over into their lane forcing them to get off of the road.

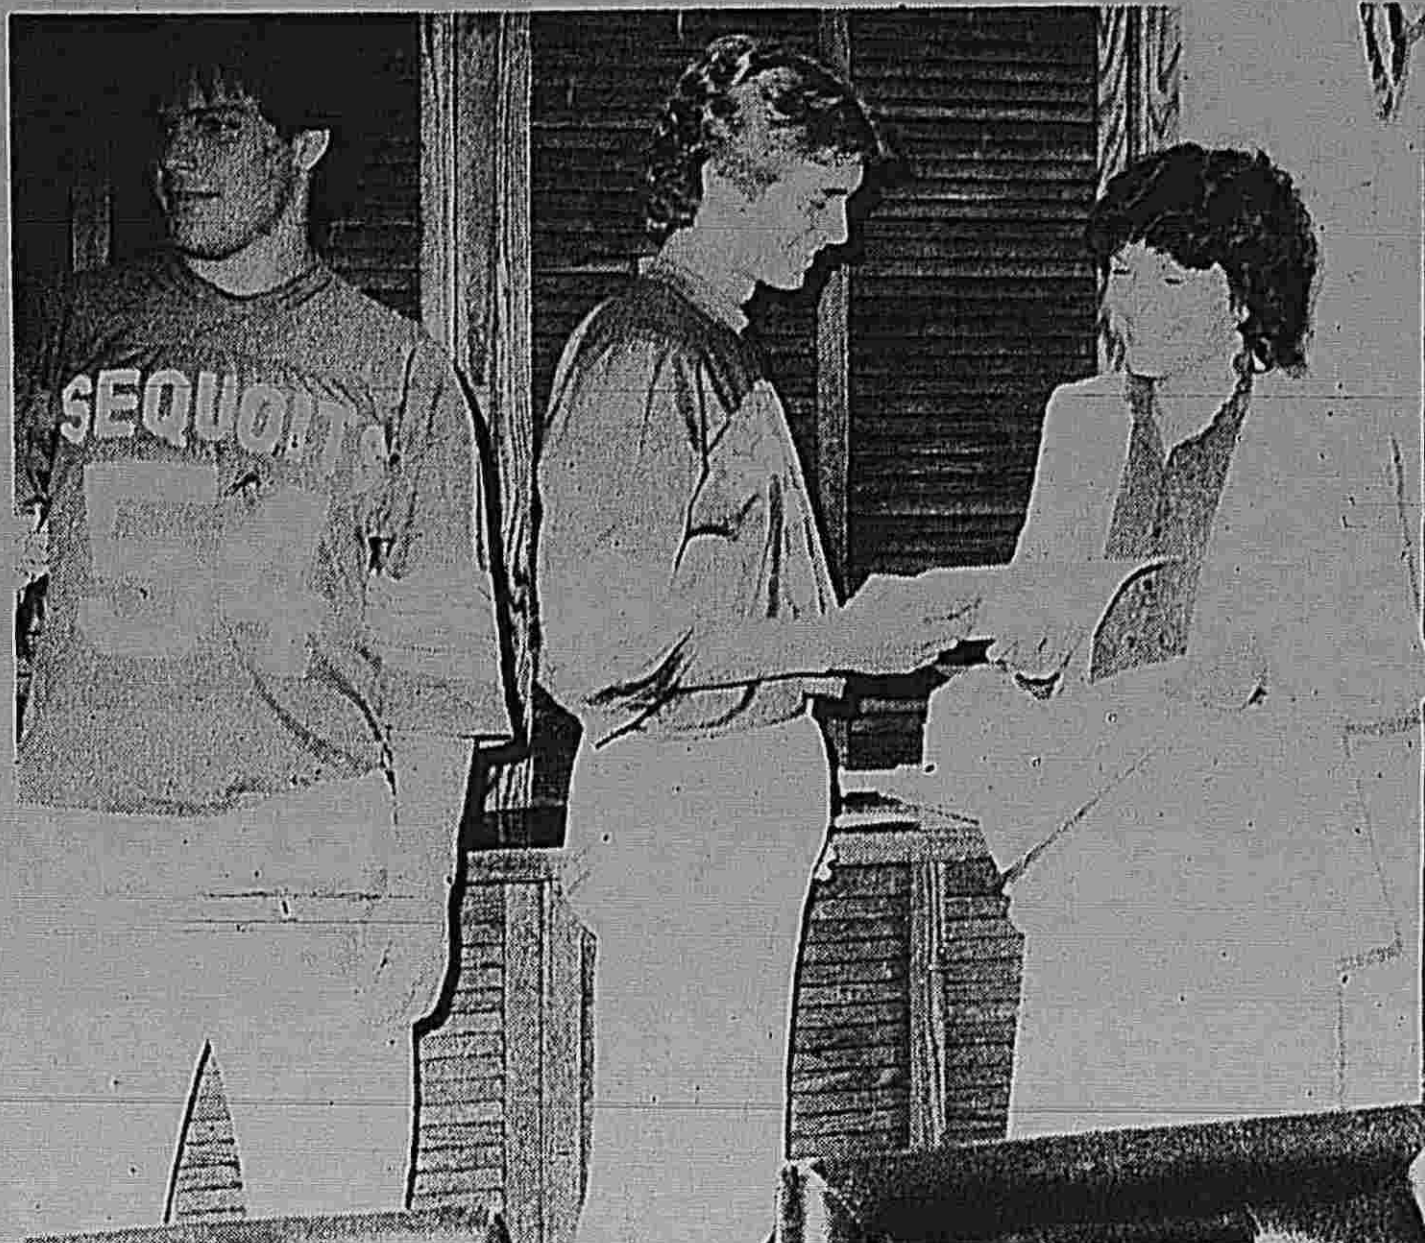

They said that they left the scene to get help. There were no witnesses to the accident.

The older Mays girl returned to the scene but Buckingham, who reportedly wondered away from the scene in shock, somehow found his way to his home in Lake Villa. His mother then called the police.

Buckingham was taken to St. Therese Hospital, Waukegan in a state of shock with other physical injuries.

The Lake County Sheriff's report states that there was a can of beer found at the scene.

Buckingham has been charged with failure to reduce speed to avoid an accident and for leaving the scene of a personal injury accident.

TIE FOR BEST GRIDDERS — There was a tie in the voting for the best Sequoit football player of the week. Shown receiving \$100 for a fund at the high school are, from left, linebacker Bob Johnson and corner back Ray Rugebregt receiving awards from Branch Supervisor Jolene Wulf, representing sponsor Great American Federal Savings and Loan. — Photo by Gloria Davis.

Set Mason scholarship

Frank Mostowski, W.M., of Sequoit Lodge No. 827, AF & AM announced today that the members of Sequoit Lodge have voted to establish a \$500 scholarship for a graduating Antioch High School student who will be attending an Illinois college.

Further, that a scholarship committee composed of Master Masons Ray Edwards, Michael Mortensen, Richard McGee, and Larry Gilo had been appointed to expedite the awarding of the scholarship.

On Sept. 20, 1984 members of the committee met with

representatives of Antioch Community High School to set up procedures and receive input and advice. It

is anticipated that the first winner of the scholarship

will be announced at the 1985 Honors Day Ceremony.

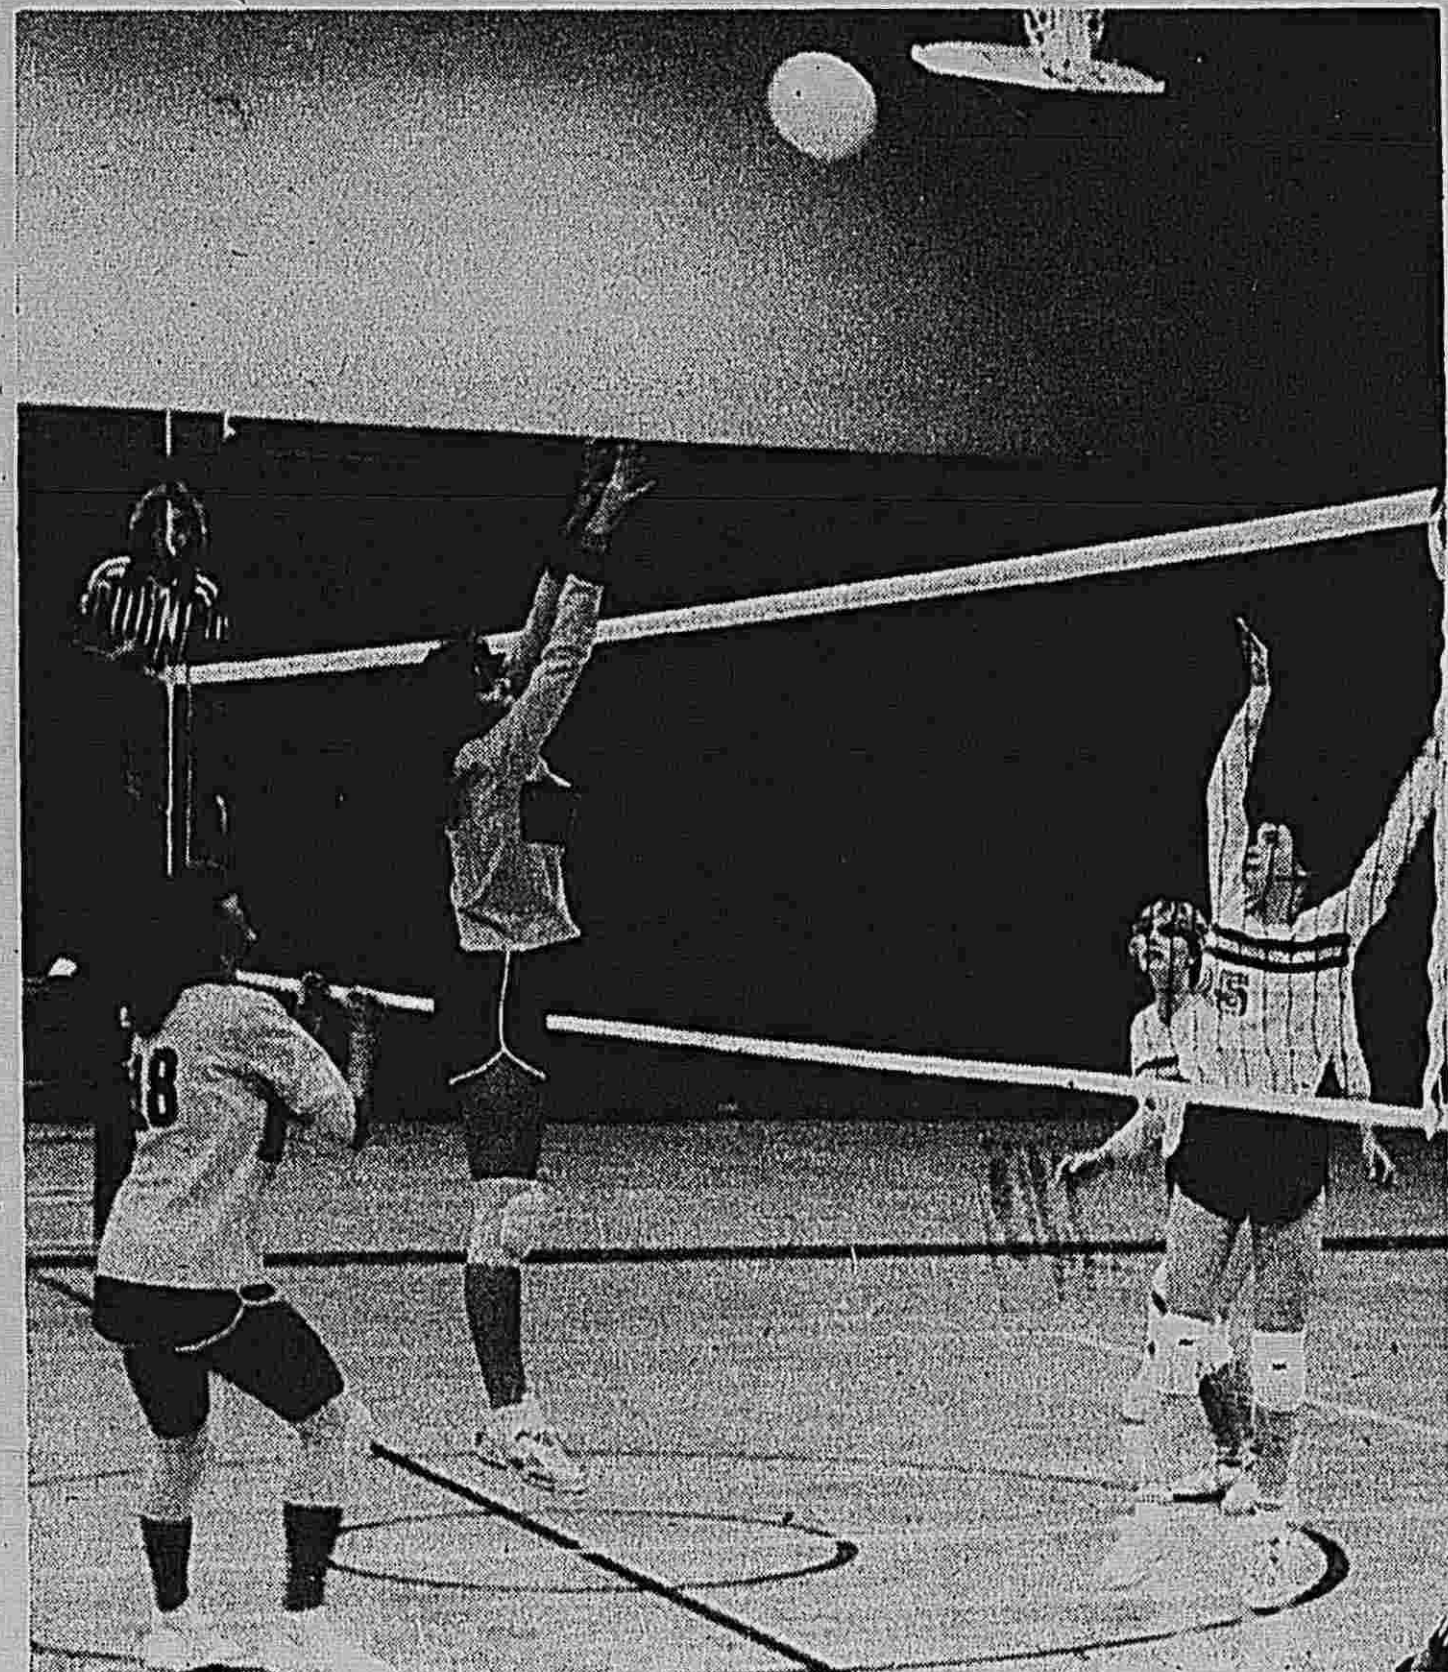

Wertz killed in collision

Arthur Wertz, 76, Antioch, was pronounced dead at the scene of a car-truck accident, at 8:11 p.m., Sept. 21, on Rte. 173, five-tenths of a mile west of Tiffany Rd.

Paul Nauertz, 18, Antioch, driver of the pickup truck that collided with Wertz's car and one passenger in his truck, Douglas Loman, 16, were both taken to Victory Memorial Hospital by the Antioch Rescue Squad.

Two passengers in Wertz's car, Dennis Thompson, 19, and Joanne Techeirt, 15, both of Antioch, were also taken to Victory.

According to the record of the Lake County Sheriff's Dept., Wertz was heading west on Rte. 173 when he went into the eastbound lane near a curve and began skidding as he applied the brakes, hitting eastbound Nauertz head-on.

Crime Stoppers

Blame county crimes on drug useage

According to Lake County Crime Stoppers the narcotics dealers who operate within Lake County are becoming wealthy at our expense. Last year there were 6,500 people who came through the Lake County jail. After these people were studied it was found that 70 percent had committed the crime because they needed money to buy drugs.

That means that almost three-fourths of the armed

robberies, burglaries, and purse snatchings which occurred in Lake County were a direct result of narcotics.

Take into consideration that the Lake County Coroner's Office has investigated nine drug related deaths since the beginning of 1984 and it is realized that there is a real problem.

Crime Stoppers is asking the citizens of Lake County to help stop the increasing drug trafficking by con-

tacting Lake County Crime Stoppers with information on narcotics dealers.

As always you will not be asked to reveal your identity and if your information leads to an arrest and indictment, you will become eligible for a cash reward of up to \$1,000.

Contact Lake County Crime Stoppers at (312) 662-2222. If it is a long distance call, call collect. Remember, Crime Stoppers wants your information, not your name.

Central Baptist planning picnic

Central Baptist Family Service is hosting the Seventh Annual Foster Family Picnic on Sunday, Sept. 30 on the grounds of Central Baptist Children's Home in Lake Villa on Rte. 83 from 12:30 until 3 p.m.

Central Baptist Family Services is a non-sectarian, not-for-profit child welfare agency that provides foster care services for children residing in Lake and McHenry Counties.

Foster parents are special people and the picnic is one way the agency can express its thanks and deep appreciation for the caring and concern these people offer to hundreds of neglected and abandoned children.

There is a critical shortage of foster parents and homes are urgently needed for children living in our county who are unable to reside with their own families for

temporary time periods.

The Dept. of Children and Family Services 1893 child abuse and neglect record states, there were 27,779 reports of abuse and neglect.

It is estimated many more cases of child abuse and neglect will be reported this year.

For additional information on foster parenting and the picnic call (312) 356-1021.

Offer medical referral

As a service to the community the referral service of the Lake County Medical Society will provide the names of family doctors and other specialists who are accepting new patients whose problems are not urgent

medical emergencies.

Information is available through the society on a physician's medical training, office location, hospital affiliations and specialty, headquartered in Liber-

tyville, is a not-for-profit professional association first established in 1903. Calls are accepted during weekday business hours at (312) 680-9530.

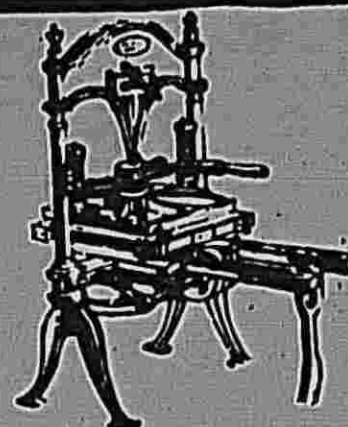

"Fleas can be taught nearly anything that a Congressman can."

Guest editorials are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

are also invited. They should be a minimum of 250 words and signed. The editor reserves the right to condense all material addressed to this page.

The Time Machine

FIFTY YEARS AGO: Sept. 27, 1934

Marian Meyers was a new pupil at the Antioch Grade School.

An article in the Antioch News claimed that in spring when the clocks were turned up an hour for daylight savings time the, 100,000 people in Lake County each lost one hour of sleep adding up to 100,000 lost hours of snore-time.

Equating those hours to 11 and one-half years, the News claimed that this week, when the clocks were to be turned back, Lake County residents would regain those 11 and one-half hours of sleep in one night.

Otto S. Klass was installed as commander of the Antioch Legion Post and Katherine Reinke was installed as president of the auxiliary.

Radio was being used for the biggest media push for the November election.

The Savilla-Frazier Trio of acrobats was slated to appear at the 11th annual Antioch Country Fair.

C. K. Anderson and the First National Bank of Antioch entertained 30 Antioch businessmen at a dinner at Cedar Crest Club.

THIRTY YEARS AGO: Sept. 30, 1954

Thompson's Bar was ransacked and \$50 taken from Thompson's Tavern on Main St. Entrance was gained by breaking in through the rear door.

The fire whistle was moved from the village hall to the water tower.

Albert Pedersen bought the building that housed the Pedersen Bakery on Main St. from Mollie Somerville who along with her husband for years had operated a successful bakery and restaurant in the building.

The increased enrollment at the Antioch Grade School brought about a stop to the traditional Monday forenoon trips to Reeves Drugstore for free ice cream cones for the students.

Instead George Borovicka, owner of the drugstore, made an agreement with the Luick Ice Cream Co. to supply 310 students with free paper cups of ice cream every Monday. This included the pupils in kindergarten and the first three grades at Antioch Grade School and the students in the first four grades of St. Peters Parochial School.

TEN YEARS AGO: Oct. 2, 1974

The Antioch Chamber of Commerce was busy planning for a more beautiful downtown Antioch. Plans included 200 more parking places behind the stores on the east side of Main St.; the possibility of one-way streets in the central shopping district on Main and Lake Sts; a new fire station on Orchard; the planting of new trees on Main St.; more baseball diamonds in town.

Jim Fields, captain of the Antioch Rescue Squad received a check for \$10,000 from Dave Bushing, Lions president, the proceeds of the annual Lions Barbeque.

When I think about it

Bugs bring depression

GLORIA DAVIS

Lately I've been reading a lot about the mounting spread of a dastardly disease, seemingly indigenous to the electronic age.

This sometimes deadly disease, Depression, is reportedly spread by the bite of the "Gimme" or "Havenot" bugs.

Studies have shown that these bugs of gloom breed in the warehouses of our nation in which are stored all the millions of varieties of purchasable goodies available on today's mega-choice market.

Never before has so much been wanted by so many with so little money, that is unless one has one or more of those magic "buy now, pay later" credit cards.

I speak as one who has suffered from this debilitating disease on and off. In fact about six months ago was I literally immobilized by a very serious attack of it.

It started in a very familiar way one evening as I returned from a dinner party at an affluent friend's new home.

I wasn't in my house, which was haphazardly decorated in early "Hurricane," more than five minutes when hate for everything in it enveloped me and considerations of insurance fraud began dancing across my mind.

All you gals know the feeling, the old "Molotov Cocktail—I can't imagine What happen," syndrome. In case my insurance man is reading this, of course I'm only jesting!

Anyway, thoughts of prison where I probably wouldn't be able to watch "Dynasty" or "Dallas," soon led to Plan 2, a house-wide redecoration plan. I'm still not sure which of those two thoughts was the most foolish.

I'm here to warn any of you who are so naive as to embark on Plan 2, not to do it unless you have just won the LOTTO or else haven't one nerve in your entire body!

Did you know that it costs approximately \$1,000 to redecorate a closet? Not only that, you're not going to like it after all that blood, sweat, tears and moola has been shed.

When I started shopping, I found to my horror not only did this microscopic matter that I call a mind have to deal with a choice of a million varieties of each product, the use of an armored truck is advisable when purchasing the wherewithall that goes into only one room.

Not that I'm inferring that prices have risen slightly since I last embarked on such a project, back when wooden cabinets replaced the enamel ones but I found that the brass knobs and hinges on my friends' doors cost twice as much as I intended to spend on redecorating my entire house.

One of my biggest mistakes was to redo one of my bedrooms in various shades of "restful" green.

I should have known better. Although I have admired the use of that color in many homes and in dresses on many people, whenever I had previously used it anywhere, even in just a touch of eyeshadow, I was instantly reminded of bile, garden snakes, mold and slime.

So now, I have this lovely, costly bedroom that I have to take half of a bottle of Pepto Bismol and a swallow a whole package of Tums each time I venture into it.

And why, oh why, does each room not only cost three times its estimate, take four times longer to do than planned but it never turns out like you pictured it?

One good thing, all the rooms that I hate now are at least all new and shiny! But all that money and work was really for naught.

I just saw a travelogue on Channel 10 that brought on another attack.

Do you suppose a vacation in Iceland will be as much fun as they showed it to be?

Letters To The Editor

TEEN DRINKING

Editor:

and

Antioch Parents:

Where were our teenagers last Saturday night? Some were out in a farmer's field for a drinking party. Were yours'and what were the Antioch Police doing? They were out chasing teens through that field to break up that drinking party, and rightly so. Obviously, they could have been doing other business had this not been allowed to happen.

To Antioch Citizens:

Is our community so unconcerned about our teens having a place to get together that we can afford our tax dollars to be spent paying the police departments to chase kids through the woods because they have no where to get together after a football victory or a basketball game?

The time has come for the community to take a hard look at what we adults are saying.

We don't want our teens at drinking parties or driving home after drinking in Wisconsin; yet we, as a community, offer no weekend alternatives. Let us all call on our conscious and come up with a solution to this problem.

How about our coaches digging out those out-dated "Code of Ethics", updating

them and have parents and students sign them, and adhere to them. It is an HONOR to be a part of this school's great athletic programs.

Do we want our police to continue breaking up these parties or do we want to provide alternatives? It is important that parents know where and what their teenagers are up to. Don't go to bed, stay up and see what shape our kids are coming home in.

We have some great community organizations! Let's put some of their fund raisers to even better use and build a community building where teens are welcome to gather.

None of these things are a total solution. But, there are a lot of good, clean living teenagers out there. Let's give them a chance to stay that way.

Concerned Parents

Editor:

On Saturday, Sept. 8, the Antioch Upper Grade School band performed with 49 high school bands at the University of Wisconsin football game in Madison for a crowd of 65,000 fans. The Antioch Upper Grade School band was the only junior high level band invited to perform at Band Day.

We would like to commend our students on their ex-

cellent performance and behavior. The students looked spectacular in the first appearance of the new band uniforms purchased through the fund raising events sponsored by the Band Parents Assn. and contributions made by Antioch School Dist. 34.

The students spent a great deal of time learning their material beforehand and then practiced Saturday morning with the other bands in the rain.

The band director, Earl Bush, is a very caring and dedicated teacher who spends a great deal of extra time working with these students. We feel great pride to be associated with a fellow professional who assists the students in striving for this level of achievement and discipline.

We truly enjoyed this performance and are glad to see the support given to these activities because we feel they enhance the students educational experience.

Elderly Care

Persons who are taking care of elderly parents, friends, or spouses or who anticipate needing to do so in the future are invited to enroll in a course on caring for the aged at home.

The course is being offered free of charge at Victory Memorial Hospital, 1324 North Sheridan Rd., in Waukegan.

Sessions will be held on seven consecutive Tuesdays from 7 to 9 p.m. beginning Oct. 2.

For more information or to register, call Victory Memorial Hospital at (312) 578-4148.

Information, helpful hints and hands on practice giving baths, administering medication, providing a safe environment, obtaining special equipment, meeting the nutritional needs of the elderly, dealing with stress, grief, and loss are presented in this series of programs.

Participants may attend the entire series or as many programs as they choose.

Victory Memorial Hospital nurses, dietitians, director of pastoral care, and others with expertise in caring for the elderly will conduct the free course.

Chinese script contains more than 40,000 characters.

Weddings

Mr. and Mrs. Robert J. Schmitt

Gerasch—Schmitt

St. Mary of the Assumption Church in McHenry was the setting of a double ring nuptial mass uniting Suzanne Lucille Gerasch and Robert Jerome Schmitt on Aug. 11.

The bride is the daughter of the late Paul and Mathilda Gerasch of McHenry, and the groom is the son of Frances and Laura Schmitt of Johnsbury. The bride's uncle, Anton Williams of McHenry, gave her away.

The bride's long-time friend and sister-in-law of the groom Karin Schmitt performed the duties of matron of honor, while sister of the bride Barbara Gerasch served as maid of honor. Bridesmaids were Mary Kay Peeler, niece of the bride; Fran Waible and Anne Kakacek.

Duane Schmitt performed the duties of best man for his brother. Other gentleman attendants were Jim Meyers and Randy Oberembi. Nephew Mark Fredrick and great-nephew of the bride Mike Peeler performed the duties of ushers.

Flower girl for her cousin was Nicole Klapperick. The groom's nephews Carl and Keith Schmitt were ring-bearers.

Nick and Katie Freund, cousins of the bride, performed classical selections during the service. The bride and groom presented a bouquet to the Virgin's altar while Mr. Freund sang "On This Day O Beautiful Mother." All of the flowers for the day were arranged by Mrs. Charles Harding, aunt of the groom.

The couple's celebration of love continued at the Johnsbury Community Club, where they were joined by 250 friends and relatives for dinner and dancing. Music was provided by the Dancin' Machine of Antioch.

The bride is a graduate of Marian Central Catholic High School and St. Xavier College, Chicago. She received a master's in education from Carthage College in Kenosha and has been employed as an English teacher at Antioch Community High School since her graduation from St. Xavier. The new Mrs. Schmitt is on the Board of Directors of the Illinois Education Assn. (IEA) and serves as Region 38 chairperson for the IEA locals in Lake County.

The groom also is a graduate of Marian Central Catholic High School and received a bachelor's degree from Parson's College. He is employed by Johnsbury High School as an English teacher, coach and a member of the leadership team.

The couple is at home in Antioch.

High—Strang

Mr. and Mrs. Raymond High of Bloomington announce the wedding of their daughter Vicki Lynn High to David Lloyd Strang, son of the Rev. and Mrs. Glenn Strang of Antioch.

The couple was married Aug. 11 at the Wesley United Methodist Church. The Rev. Bert Lancaster and the Rev. Strang performed the ceremony.

Attendants for the bride were Gaye Douglas and Linda Williams. The groom's attendants were Dick Strang and Tim Strang. Marty Uershaw, Ron Haseeyager, Bob Elsasser and Mike Bercos were ushers.

Katie Strang and Andrea Bercos shared the duties of flower girl, with Brett Strang performing the duties of ring bearer.

The groom is a 1974 graduate of Kewanee High School and attended the University of Illinois. He is employed by the F.A.A. as an air traffic controller.

The new Mrs. Strang is a graduate of Bloomington High School and attended Illinois State University. She is employed by Edward Rose of Indiana as a leasing agent.

The two are making their home in Indianapolis.

Mr. and Mrs. Charles Winters

Mr. and Mrs. David L. Strang

Powell—Winters

During her wedding to Charles M. Winters of Antioch, Amy J. Powell wore a strand of pearls given her by her groom. She is the daughter of Dorothy Powell of Fox Lake and Ed Powell of Lawrenceburg, Ind.

The couple were united in marriage at Round Lake Community Church by the Rev. Daniel Bloesch. The bride was given in marriage by her oldest brother, Eddie Powell.

The bride wore a traditional white taffeta gown trimmed with lace and seed pearls. She carried a cascade of red roses and a handkerchief which belongs to her grandmother Clara Johnson of Belview, Minn. The handkerchief was adorned with and opal pendant which belonged to her late sister-in-law, Christine Powell.

The bride's veil and the attendants' headpieces were designed and created by her sister-in-law Karen Powell.

Connie Mulford of Houston, Texas, performed the duties of matron of honor for her sister. Other attendants were Peggy Miller, sister of the bride; Debbie Dumelle and Nicole Powell, junior bridesmaid and niece of the bride.

The duties of best man were performed by Ernest Winters of Burlington, Wis., brother of the groom. Other gentleman attendants were brothers of the bride Charles Powell and Thomas Powell. Usher duties were performed by Jack Powell, brother of the bride.

Flower girl and ring bearer were niece and nephew of the bride Carol Ann Powell and Conrad Mulford.

The new Mr. and Mrs. Winters received guests, who had come from Texas, Minnesota, Indiana and Wisconsin, at the Windjammer Restaurant in Antioch.

The bride is employed by Baxter Travenol, Round Lake, and the groom is employed by Commonwealth Edison in Zion.

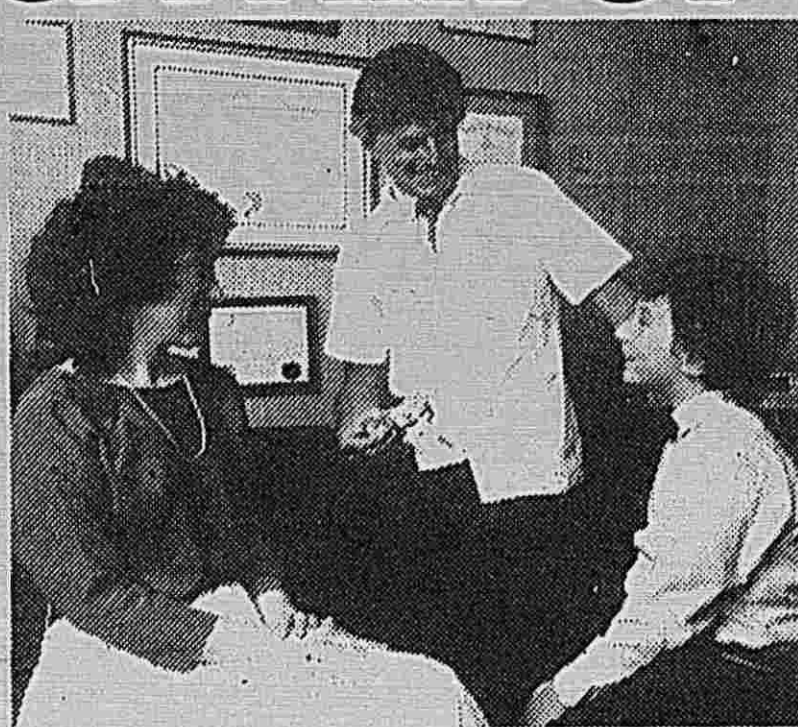

The couple are at home in Antioch following the a July 14 ceremony.

by Robert T. Sven B.S.D.D.S.

DENTAL EXAMINATIONS

Question:

How does a dentist examine a new patient?

Answer:

After taking the patient's complete medical history, the dentist will examine lips, teeth, tongue roof and floor of mouth, jaws and upper throat, and the neck and surrounding areas. The dentist does this with help of fingers, eyes, ears and nose as well as various specially-designed instruments—probes, explorers, light, mirrors, cameras and X-ray machine. The patient is asked to open and close his/her mouth so the dentist can examine the bite and to see how jaw and joints function while chewing. Most likely X-rays will be taken to uncover any hidden cavities, gum disease and other problems not seen by the naked eye. Sometimes, when indicated, lab tests may be done to pinpoint the cause of a less obvious problem.

All findings are marked on the patient's chart—cavities, missing teeth if any, gum condition and more—to guide subsequent treatment.

Obituaries

Arthur W. Wertz

Funeral services will be held on Tuesday, Sep. 25 for Arthur W. Wertz who passed away Friday, Sep. 21.

A life long resident of Antioch, Wertz was born in Antioch on Nov. 14, 1907. He and Cecelia Keblusek were married on July 3, 1937 in Chicago.

He operated Art Wertz Well Drilling of Antioch. Wertz was a 50 year member and past-master of the Sequoia Masonic Lodge No. 827 A.F. A.M. and a member of the United Methodist Church of Antioch.

Survivors include his wife Cecelia, son Arthur (Elaine) Wertz, Jr., brother Charles (Dorothy), of Antioch and four grandchildren.

Funeral services will begin at 11 a.m. Tuesday, Sep. 25 at the Strang Funeral Home, 1055 Main St., Antioch with the Rev. Stephen Williams of the United Methodist Church of Antioch officiating. Internment will be in the Hillside Cemetery, Antioch. Friends may call at the Funeral Home from 4 p.m. to 9 p.m. on Monday. Contributions can be made in his memory to the Antioch Rescue Squad.

George John Wolck

Memorial services for George John Wolck, 80, of Antioch will be held in Michigan.

Mr. Wolck died Sept. 15 at the Hospitality Manor Nursing Home in Kenosha.

Born on Dec. 3, 1903 in Crystal Lake, Mr. Wolck had lived in Antioch for the past three years. He was a manager for A&P stores in Detroit for 40 years.

Survivors include a son, Bruce (Helen) Wolck, Houghton, Mich.; a daughter, Mrs. Lois (Samuel) Brandt, Southfield, Mich.; two sisters and one brother; six grandchildren and one great-grandchild.

Local arrangements were handled by the Strang Funeral Home, 1055 N. Main St., Antioch.

The slide rule was invented by English mathematician William Outred in the 1600s.

Women start season

The Antioch Woman's Club will start its new years of meetings on Oct. 1.

The opening luncheon will be held at The Barn of Barrington, Barrington, Ill. Club members are welcome to bring guests.

The program will be a musical variety by Orlando White and accompanist. He is a graduate of the University of Louisville, spent four years in the U.S. Air Force,

attended the Goodman Theatre and appeared in many plays. He is an accomplished artist, who also appeared in a European tour as singer-musician. He has appeared on television in

Denver and Duluth and currently is with WGN-TV Chicago.

This opening luncheon promises to be great fun, see you there, ladies!

Natural gas rate reduced

The Illinois Commerce Commission reduced by \$2.1 million North Shore Gas Co.'s request for an increase in natural gas rates.

The commission granted the company permission to increase its rates by \$7 million or 4.8 percent in annual revenues.

North Shore had requested an increase of \$9.2 million of 6.3 percent.

WHEN IT first filed for an increase on Nov. 2, 1983, North Shore also asked for an interim increase of \$2.7 million (1.8 percent), but withdrew that request in February.

As a result of the commission's decision, a residential customer using 250 therms a month, which is typical winter time usage, will see his monthly bill increase \$5.22, from \$112.85 to \$118.07, or 4.6 percent.

Commission Chairman Philip R. O'Connor said, "This increase is the minimal amount necessary to ensure that North Shore's customers receive continuous and reliable service. The Commission has made every effort to reduce the amount of the increase, but the record shows that the increase is necessary."

The commission granted the company a rate of return on equipment of 15.6 percent.

THE COMMISSION based its projection of North Shore's sales on the standard established by the National

Weather Service of averaging weather over a 30 year period. This methodology lessens fluctuations in the earnings of a company which operates in a climate which produces high seasonal demands for natural gas.

The commission ordered that North Shore continue its practice of reading meters once every two months as opposed to once every month, stating that reading meters every month would increase costs to ratepayers by \$507,000 without any appreciable benefit.

The commission also ordered North Shore to continue to pay interest at an annual rate of 10 percent on customer budget plan accounts. A budget plan account is when a customer pays his bills in equal monthly installments calculated to equal the total estimated charges for a 12 month period.

Further, the Commission disallowed \$130,000 of North Shore's advertising expenses or 94 percent. The commission disallowed expenses connected with North Shore's advertising campaign related to brand name products because the company did not prove that naming those products was solely to promote gas conservation and was not intended to promote gas usage over other fuels.

THE COMMISSION also excluded expenses that North Shore had requested for its corporate financial advertising campaign because the company could not prove

that the program could benefit ratepayers.

The commission allowed North Shore to retain its Alternate Fuel Adjustment Clause (AFA) for large customers who have the means to switch to another less expensive fuel.

By keeping the large customers on the system, the AFA serves as a means to protect smaller customers who cannot switch to less expensive fuels and, who, remaining on the system, would have to absorb the fixed costs left by the large users.

In this order, the commission also permitted North Shore to retain the AFA in light of the uncertainty in future gas and oil prices resulting from the January 1985 partial deregulation of natural gas prices.

The company received its last increase in December 1983. North Shore serves approximately 98,600 residen-

tial, industrial and commercial customers in the eastern portion of Lake County and a small portion of northeastern Cook County.

Hearings were held during the month of December, 1983 and from February through July 1984.

Birth Classes

Victory Memorial Hospital, Waukegan, is offering a free four-part series of classes on Cesarean section birth. It will cover the anatomy and physiology of pregnancy, Cesarean section birth, after care, newborn care, breast and bottle feeding and family planning.

Classes will be held from 7 to 9 p.m. Oct. 2, 9, 16 & 23 at the hospital, 1324 N. Sheridan Rd., Waukegan. To register, call (312) 578-4123.

Scout Troop 80 has busy summer schedule

Boy Scout Troop 80 of Antioch has been very busy this summer. The High Adventure Scouts went to Ely, Minn.

During this 10-day canoe trip, the scouts canoed into the Canadian Boundary Waters and back.

They learned canoeing, cooking, fishing, wilderness survival, nature study, portaging and backpacking techniques.

The Ely expedition was a great adventure for those lucky enough to go.

The Boy Scouts were helpful at the Antioch Chamber of Commerce Arts and Crafts Fair, by directing traffic and keeping the area clean. This is just one of the many services Troop 80 does for the community.

The Scouts would like to thank the following sponsors for supporting the 1984 Troop 80 Free Car Wash: A • B Printing Service, Inc., Albano Builders, Antioch Animal Hospital, Antioch

Pizza Shop, Antioch Quick Print, Antioch Schwinn, Antioch Supply Co., Antioch True Value, A to Z Rental, Barnstables, Ben Franklin, BJ's Clothing, Carey and Golden Electric, Century 21-Michael Warren, Barnloft Travel Agency, C. Campbell Co., Erickson's Sewing Center, Frostee Foam Co., Globe Dept. Store, Great American, Hercules Tool Co., Household Finance Corp., Ipsen Village Cleaners, J and R Vending, Lake Side Restaurant, NCG Electronics, Poe • Poe, Inc., Polson's Dietary Foods, Rainbow Arts • Crafts, Raymond Chevrolet, Thelen Ready Mix, Tony White Shoes, Victory Carbide Saw • Tool Co., Inc. The Scouts would also like to thank the customers for bringing in their dirty cars, and especially those who have donated to the troop.

The Scouts summer camp was at the Ma-Ka-Ja-Wan

Scout Reservation for two weeks. The boys had a great time at camp with 23 boys attending.

Fifteen earned skill awards, three earned three merit badges, five earned two merit badges and five earned one merit badge.

The following Scouts were inducted into the Ordeal Honor in Order of the Arrow: Steve Coy, Ted Jozefiak, Ted Jozefiak Jr., John Nottingham and Rob Stecher.

Three scouts receive the Honor of Brotherhood in Order of the Arrow: Erick Albano, Jason Koehler and Bill Redman.

For the first campout of the season, the Scouts invited Cub Scout Pack 80 of Grass Lake School and Cub Scout Pack 192 of Antioch to their Court of Honor and campout.

The Cubs were enlightened by the Court of Honor

ceremony and the rope bridge the Scouts built.

There were Indian dances, songs, skits and recognition of awards, followed by the Scoutmaster's Cobbler Delight.

The Scouts are now looking forward to the annual Fall Camporee of Lakes District, on Sept. 29 and 30.

For this camporee the Scouts will be using their Scouting skills by competing

in events against other patrols.

The theme of this camporee is "Handicapped Awareness." The Scoutmaster is Chairman of the camporee.

Boy Scout Troop 80

Vikings start season

The Antioch Viking Seniors opened their 1984 season on a good note with a 26 to 6 win over the McHenry Hornets Seniors.

The hard running of Jim Keim and Rod Hoerle and the throwing arm of Mike Buchta led the Vikes to victory.

The offensive line led by Brian Buszta and Matt Koehn, along with wing-back Bill St. John, opened gaping holes in the Hornet defense.

Leading the defense were defensive guards Rich Good and Robbie Nix and quarterback Charlie Kriens.

At no time were the Hornets in contention. The Vikings scored initially on a 30 yard end sweep by Keim with the two point kick made good by Buszta.

Brad Mandernack set up the nest touchdown with two excellent receptions from Buchta. The next three touchdowns were scored by Hoerle on a pass play and on two short runs.

JUNIOR TRAVELING TEAM

The Antioch Vikings had a hard fought game against McHenry with good defense on both sides; the Vikes winning 13-0.

The scores came late in the game when Antioch

quarterback Jeff Ludwig completed a 20 yd. pass to Dave Carlson to keep the first scoring drive alive.

On the next play Dave Carlson ran the ball in from seven yards out. The extra point was made by Jeff Ludwig.

The final score came late in the fourth quarter when Jeff Ludwig rolled out right and broke tackles on his way to a 60 yd. touch down run. The extra point failed.

Chris Geibelhaus and Sean Kasco ran hard for many valuable yards.

Defensive stand outs were Greg Hanson with many tackles and two fumble recoverys. Ken Paddock, middlelinebacker who had two interceptions and Chris Geibelhaus and Craig Asker at outside backer.

Joe Merkel and Andy Evert did a good job on the line stopping McHenry from running up the middle.

WARRIORS AND FALCONS

The Warriors featherweights played an excellent game versus the Falcons winning 25-7.

Glenn Graham led the Warriors with three touchdowns with Billy Wons scoring the fourth.

Dale Morgan scored the lone touchdown for the Falcons with Harry McGuire scoring the extra point.

raider and eagles

After a low scoring first half, the Raiders pulled away to a 24-0 win against the Eagles.

Touchdowns were scored by Nick Poplawski, Jason Steamon, Keith Carden and Wayne Pullen. Steamon's touchdown came on the second half's opening kickoff, good for 58 yards.

Poplawski's touchdown was on a 43 yard interception. The Raiders defense held the Eagles to only one offensive first down.

Credit this to some fine defense on the part of Kevin Bermea, Keith Harms and Todd Bloom.

BEARS AND SEAHAWKS

The Bears strong offense led by quarterback Jerry Johnson and his receivers Tim Garland, Brian Hanrahan and Jeff Rey sparked the Bears to a 21 to 0 against the Seahawks.

Pat Cote, Brad Behling and Dan Pappadakis led the Seahawks offensive drives.

Blanchette completes course

Carolyn Blanchette, assistant trust officer of the State Bank of Antioch, recently completed the American Bankers Assn. (ABA) National Trust School, a one-year course of study at Northwestern University, Evanston.

The school, founded by ABA in 1959, offers an academic program for bank trust professionals in major functional areas such as fiduciary law, estate and gift taxation, fiduciary income taxation, economics, financial planning.

It is the prerequisite course of study for admission to the two-year National Graduate Trust School for technical and managerial specialization toward senior trust responsibilities. Blanchette is currently enrolled in the graduate school.

More than 100 industry leaders serve as instructors, seminar leaders, research advisors, and graders. Students are taught by prominent bankers, attorneys, investment advisors, and management consultants, among other professionals from all parts of the country. Graduate students are also required to complete approximately 200 hours each year of independent research and extension work.

Blanchette, an Antioch resident, joined the State Bank staff in 1972 as executive secretary to Williams E. Brook, became an officer of the bank in 1977,

and was promoted to assistant trust officer when the bank was granted trust powers in 1981.

Carolyn Blanchette

Antioch Fears Speed

by MIKE DOMINICK

Antioch High School varsity football team will try to make it four wins in a row when they take on North Chicago Sept. 29, in North Chicago.

"North Chicago has outstanding speed, and they also have a great quarterback," Antioch coach Steve Wapon said.

"We will take advantage of what they give us. If we need to pass we will, but on the same hand we are

prepared to run the ball," Wapon added.

Antioch ran their record to 3-0 by defeating Libertyville 22-13. "Libertyville has a fine team and we were physically beat up after the game," Wapon said.

Antioch received the first break of the game when a blocked punt resulted in a touchdown for the Sequoits.

"That blocked punt was really big because it got us out of the starting block fast," Wapon said.

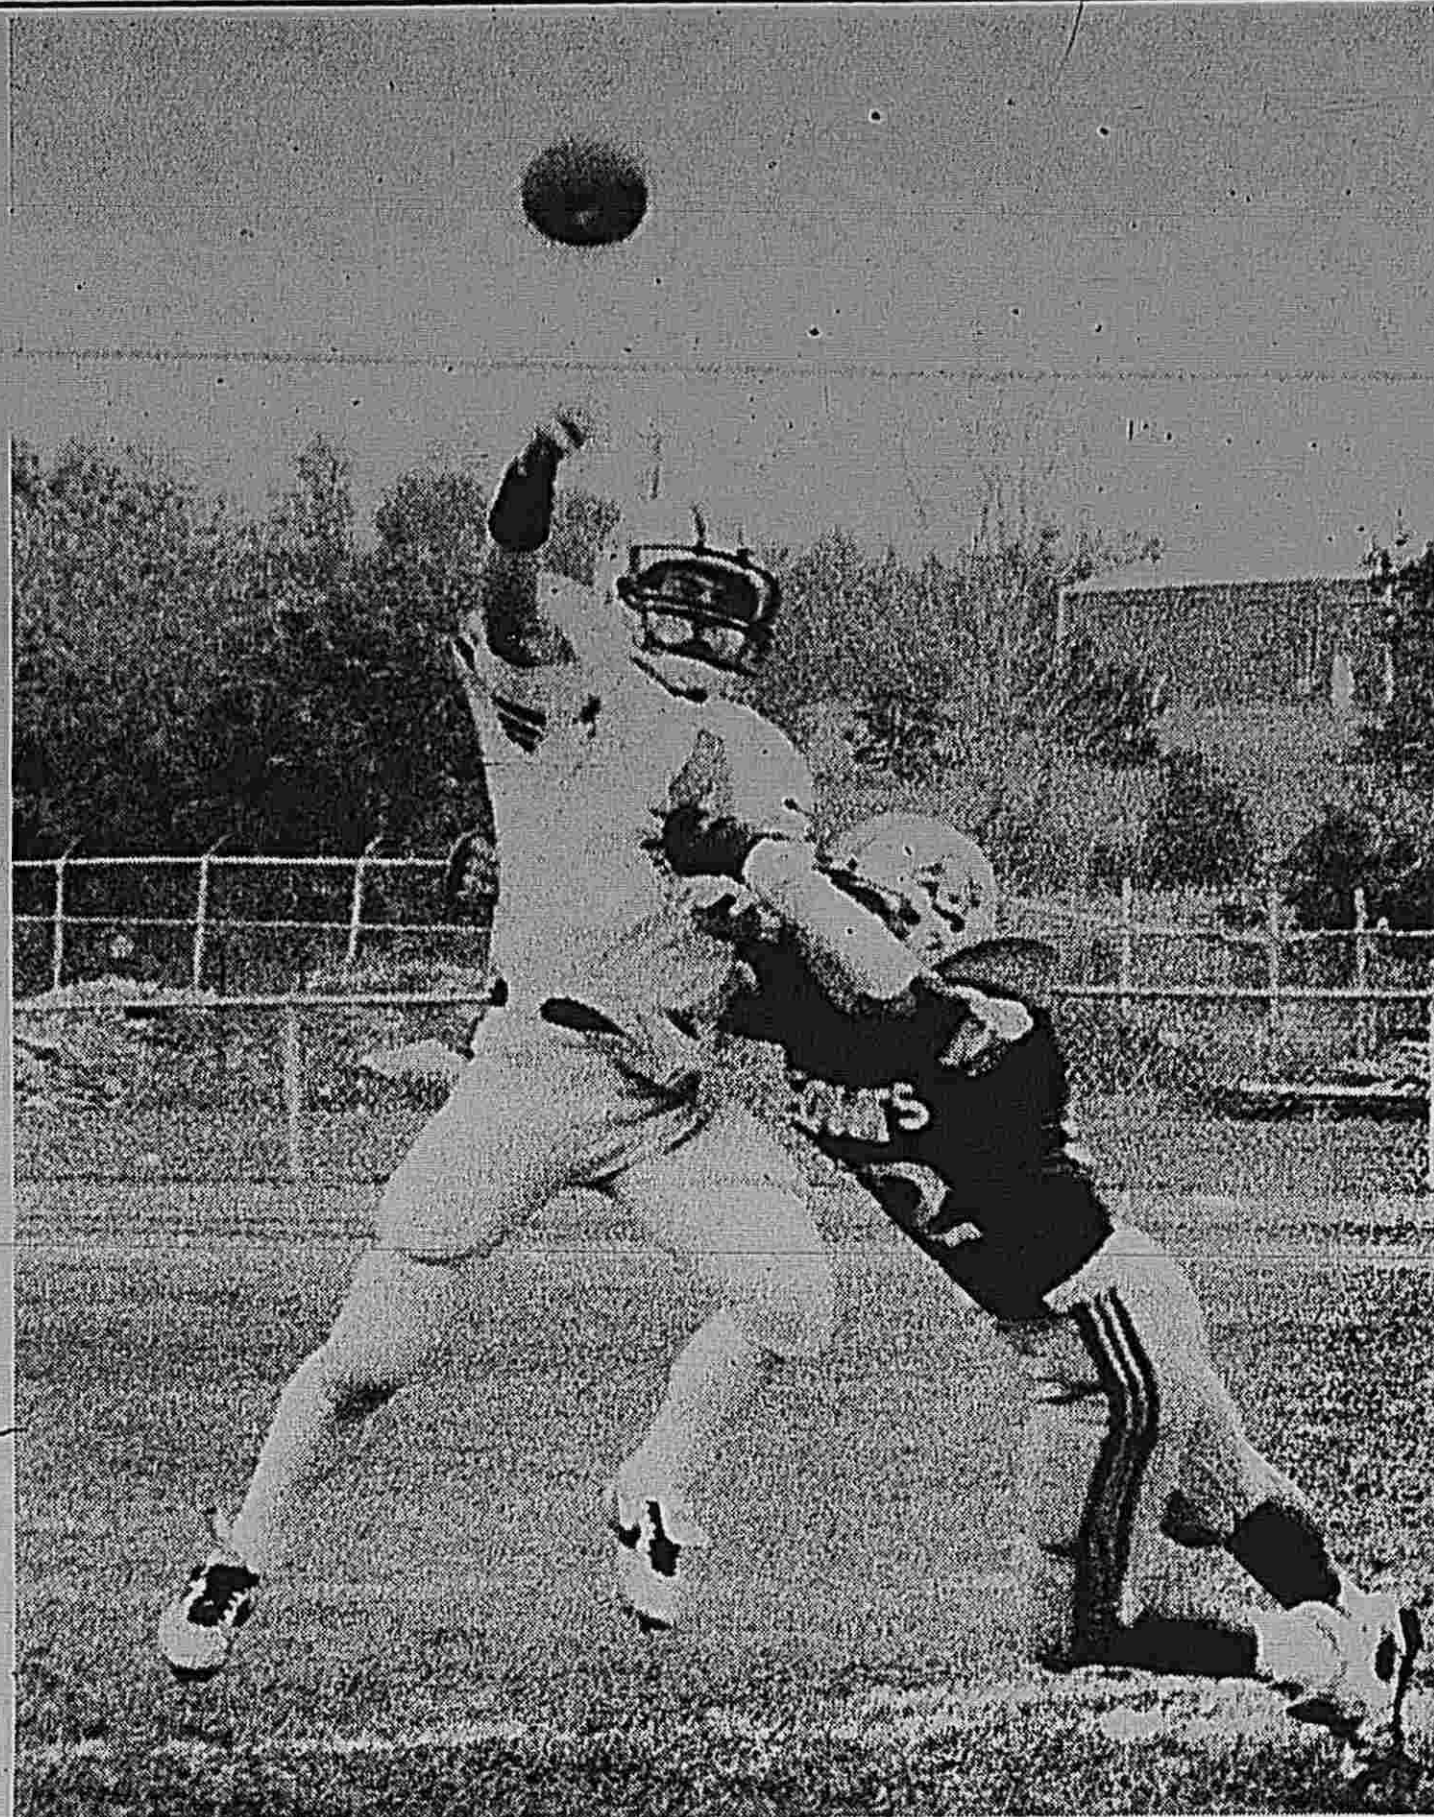

"We got some early

breaks and it really got us going against Libertyville," Wapon added.

Antioch had to play some reserves on their defensive line due to some injuries and also due to bad grades, but the reserves played a tremendous game.

"When you get reserves to play the way these kids did you will win a lot of games," Wapon said.

Antioch is one of the favorites to win the conference and North Chicago will be an obstacle to pass.

Lindenhurst Men's Club Plans Scholarship Dance

The first Annual Scholarship Dance for School District No. 41 will be held on Saturday, Sept. 29.

This very special fund raising event will be held at the Lindenhurst Men's Club with music provided by the "Changing Tymes."

Dancing will be from 8 p.m. to midnight with the doors opening at 7 p.m.

Peter Palombi, superintendent of District No. 41 and the real force behind the scholarship program, is pleased to announce that this event is being fully supported by the scholarship committee, the district teachers, and school administrators and the PTO's.

Besides the dancing, refreshments and beverages will be available through the assistance of Mrs. C. Puplava of B.J. Hooper School and its members.

The food service will be handled by the members of the Lake Villa/Lindenhurst Jaycees.

The idea of a District No. 41 Scholarship Fund was conceived in 1983 by Palombi and a few interested business and civic leaders of the Lake Villa/Lindenhurst area.

Since that date, \$13,000 has been raised through a mail campaign, special events, and in 1984, two \$500 scholarships were presented.

The members of the committee, which include Louis Blacher, Lake Villa; Glen Camp, principal of Lake Villa Intermedixte; Lee Dietrich, Lake Villa; Ted Flannagan, Lindenhurst; Dr. Neil Garrett, Lake Villa; John Hughes, First American Bank of Lake County; Pete Palombi, District No. 41 superintendent; Wayne E. Parthun, Dr. John Payant, Lindenhurst; Dr. A. Samolinski, Lindenhurst; Tony Puplava, Lindenhurst; Frank Grenus, Lake Villa, are all selling tickets and are urging the support of the local community for this very worthwhile project.

Commend 2 seniors

Antioch Community High School has been notified that two of its seniors have been designated "Commended Students" in the 1985 Merit Program.

Jane Abramson, director of guidance, announced today that Clare Gilliland and Beth Murray placed in the top five percent of over one million participants in

the 30th annual competition and will receive a Letter of Commendation in honor of outstanding promise for future academic success.

Participants entered the current Merit Program by taking the PSAT/NMSQT in the fall of 1983, when most of them were juniors. Although the qualifying test scores of the 35,000 Commended Students designated nationwide were very high, they were slightly below the level required for semifinalist standing in the competition for some 5,500 Merit Scholarships to be awarded in 1985.

The 15,000 semifinalists in this year's competition were announced publicly on Sept. 13.

Century 21 travels

Michael Warren, broker at Century 21 Michael Warren & Co., recently traveled to Washington, D.C., as a representative to the CENTURY 21 National Advertising Fund Advisory Council meeting, held Sept. 17-19.

The prestigious Council, composed of seven elected broker representatives and three appointed Regional Directors from across the nation, advised the real estate organization on proper expenditures of advertising funds. Last year, Century 21 Real Estate Corp. spent more than \$22 million on national advertising.

At the Washington meeting, Michael Warren,

who represents brokers in the state of Illinois, Indiana, Michigan, Ohio and Kentucky, participated in discussions of television, radio, and print advertising campaigns for the CENTURY 21 System.

Century 21 Real Estate Corp., a wholly-owned subsidiary of Trans World Corp., is North America's largest real estate sales organization, with approximately 6,500 independently owned and operated offices throughout the United States, Canada and Japan.

CENTURY 21 Michael Warren & Co. is located at 974 Main St., Antioch.

The first photograph of a President in office was made of President James Polk in 1849.

SHERIFF TO 'MCGRUFF' — Left, Sheriff Robert (Mickey) Babcox congratulates "McGruff" the National Crime Dog on being honored by the United States Postal service as Skip Perch, officer in charge of the Waukegan Post Office watches. Kicking off National Crime Prevention Month will be the issuance of a commemorative stamp featuring "McGruff" and the slogan "Take a bite out of crime." The first issuance day will be Sept. 26.

SHE HAS IT — Dawn Bissing did her best ranking number one in singles play, but the Sequoit tennis team lost to Libertyville. — Photo by Steve Young.

Along the way with ANNIE MAE

Wasn't Kenny Smouse just perfectly cast as Mr. Bumble in PM&L's "Oliver?"

Time to starve Old Annie Mae for this week so I can do justice to the Rotary's delicious barbecued pork chops on Saturday.

Question of the week: "Is every commercial interest in the Village of Antioch adhering to the village sign ordinance?"

Ain't driving on Lake St. grand now?

Oops! Lt. Tom Fisher tells me that there is an increase in bad check passing in Antioch, so watch it!

Hear tell that Colleen DeVries, soon to be Valentine, spent the weekend with her college roommate, catching-up on the news and stuffing themselves with spaghetti and guacamole.

Annie Mae has a suggestion on how to save on the costly many layered look so popular this fall.

By the time one pays for the skirt or slacks, jacket, sweater, shirt and turtle neck it could really add-up to mega-bucks.

Instead of spending \$15 and up for that shirt of which only the collar shows, pay a visit to the area thrift shops and pick up a man's shirt of any size that has a pleasing pattern.

Cut the front and back into a bib effect, hem and viola!, the neatest "shirt" for pennies. It might also be more comfortable than those many layers of material.

Two join Antioch Senior Center Warren offers rehab course

Century 21 Michael Warren and Co. is proud to announce two new full time sales agents to their professional staff.

Cheryl Mecher is a wife and mother of two. Cheryl not only devotes time to her many clients, but also enjoys hobbies of sewing, bowling, and boating.

Mecher is a very outgoing and personable individual who enjoys the challenge of finding homes for interested buyers.

Also joining Century 21 is Tim Gwinn. He is married and residing in Antioch. He has been an active member of the Antioch Fire Dept. He is also a sports enthusiast and enjoys hunting, skiing, baseball, and basketball.

Gwinn is a hard working individual who likes meeting new people. He and his wife are members of the Antioch Evangelical Free Church.

A six-week hearing rehabilitation course will be offered at the Antioch Area Senior Center beginning Oct. 18, from 10:30 through 11:30 a.m.

The course is designed to enhance the communication skills for the hearing impaired and will be conducted by a speech and language pathologist from Lake Forest Hospital.

The course will include work in listening skills, lipreading drills, strategies for lip reading in difficult situations and information on hearing aids. Anyone who has experienced some hearing loss will find the course helpful.

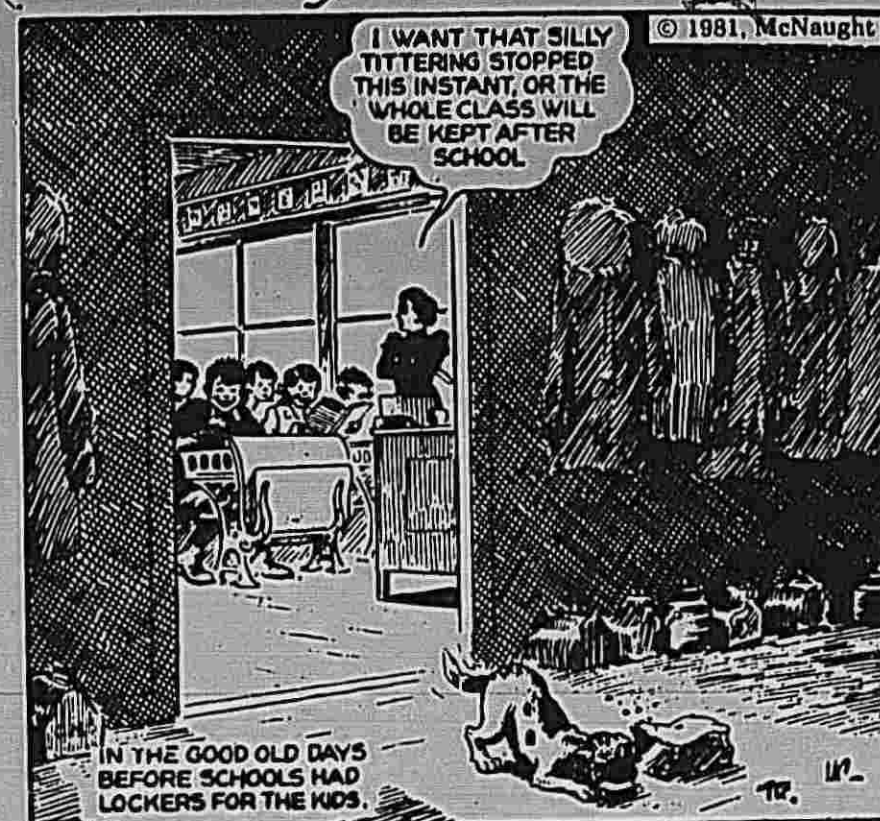

The center is offering the course to area seniors for the cost of \$5 per person. The course, which normally costs \$70 per individual, is available at this low cost due to the generosity of the Antioch Lions Club which is un-

derwriting much of the cost of this course.

Any area senior who is interested in registering for this course is urged to con-

tact the Antioch Area Senior Center at (312) 395-7120 as soon as possible. Registration is limited to 10 people.

Memory Lane

Saving money by using less gas.

THE UNHANDYMAN'S GUIDE TO WRAPPING YOUR WATER HEATER.

Today, one of the best ways to save money is to make sure your home is as energy efficient as possible, so you use less energy.

Wrapping your water heater with insulating materials is one of the quickest ways to reduce your use of gas, especially if it's located in an unheated area.

WHY YOU SHOULD DO IT.

With just an hour of your time and a kit usually costing less than \$20, you can cut your annual water heating usage up to 10% by wrapping your water heater. Since heating water is the second largest use of gas energy in your home, bundling up your water heater could pay for itself in less than two years.

Here's an easy way to see if your water tank is costing you money. Give your tank the touch test. If your water tank feels warm when you touch its sides, you should consider insulating it, especially if it's located in an unheated area of your house.

HOW TO DO IT.

Water heater insulation kits are available at most hardware stores. Kits usually include a vinyl-faced fiberglass blanket, tape, and complete, step-by-step instructions that are easy to follow. CAUTION: Do not insulate the top or bottom of your gas water heater. At the top, you may interfere with the draft diverter on the flue.

At the bottom, you may cut off the air supply.

When working with fiberglass, be sure to wear long sleeves and gloves, to prevent skin irritation. You can usually cut the blanket with a large scissors. If you use a utility knife, be sure to do your cutting on a board to avoid damaging your floor.

MAKE THIS A HOT PROJECT.

Unlike some energy saving home improvements, wrapping your water heater will save you money all year long.

So don't delay. Get to work soon, and start saving soon!

Your Guide To Fine Dining and Excellent Entertainment

THE Entertainer

Pedersen returns to birthplace of musical career

Lloyd Pedersen, who brings his show to Antioch Friday and Saturday, Sept. 28 and 29 for one weekend only, has a long history of theatre in the Antioch area.

Pedersen made his acting debut at the age of six in the Christmas Show at Hickory School in Antioch. But it wasn't until his sophomore year in high school that the acting bug really bit.

Among the outstanding performance were Pieter in "The Diary of Anne Frank," and the title role in "J.B."

For PM&L, Pederson carried leading roles in "South Pacific," "H.M.S. Pinafore," "The Music Man," "Take Me Along," "Spoon River Anthology" (which he directed) and "The Fantastiks!"

After studying at Northwestern University, he joined the Wayne King Orchestra as featured male vocalist and made several tours.

Pedersen started his own night club revue in 1973 and "The Lloyd Pedersen Show" became so popular that the group found itself on the road 50 weeks a year.

He took his talents to Boynton Beach, Fla., where his show and dance music made The Vintage International one of the hottest night spots in South Florida.

With his move to Los Angeles in 1980, he made a major career change back to acting. He has been featured in productions of "Brigadoon," "Hide and Seek" (for which he

won a local best actor award), "In the Boom-Boom Room" with (Julie Newmar) and most recently in "Cabaret."

Four very beautiful girls will join him on stage in the production numbers "Manic" from "Flashdance" and "One" from "A Chorus Line."

They are: Tammy Pedersen, Nicole Kapell, Sue Lopera and Kara Smith, all students at Antioch Community High School, and all, like Pedersen, multi-talented.

Tammy (Pedersen's niece) is a cheerleader at the high school as well as

being a prominent local horsewoman; Nicole, Sue and Kara are promising young actresses as well as dancers.

Their work has been choreographed by Kris-Anne Hartnet, also a former student at Antioch High School.

Tickets for the show are available at the State Bank of Antioch, possibly at the door the night of the performance or by phoning (312) 395-3613.

Don't miss "Lloyd Pedersen In Concert," an exciting evening in the theatre.

Stage review

'Oliver' PM&L's best!

by JEAN RYBICKI

The Tony and Oscar award-winning musical "Oliver" which opened at the PM&L Theater over the weekend started off with a fast pace that kept up throughout the entire play.

The cast has been well-selected from Jonathon Becker in the title role, whose singing and acting talents astounded first nighters.

But Becker was not alone in excellence as each performer stole my heart right down to the youngest of Fagin's boys. You'll have to see the play to understand what I mean when I say that we certainly have a lot of young talent in the area, all so professional too!

Director Lou Jones did a beautiful job as did choreographer Donna Ratke and dance captain, Peter Thelen. Plaudits also go to stage manager Frank DeMarco, pianist Ingrid Lindberg and musical director Chris Lindberg.

Al Smith is a very convincing Fagin and Ken Smouse was so natural a Mr. Bumble, I forgot who he really was.

I loved Stan Peal's Artful Dodger and

rightfully hated Larry Bessie as Bill Sikes.

To top all these great performances, the singing that accompanied them was really great.

I just loved Aileen Biel's "I Shall Scream" done as the Widow Corney. As usual Smouse's singing voice was outstanding.

Debbie Grennan did herself proud in her portrayal of Nancy with "Oom-Pah-Pah" a real standout.

Good supporting performances came from PM&L standbys Hank and Ricky Apostle, Patty Workman and Sander Sundberg.

This reviewer would recommend traveling a distance to see this show but will accept no excuse for missing it from anyone professing to like good theater, seeing that it's local.

"Oliver" will continue to run weekends through Oct. 6, curtain goes up at 8:30 p.m., with a special matinee performance on Sept. 30 at 2:30 p.m.

For ticket information call (312) 395-3055 and don't forget the dinner theater packages by calling the Village Pub at (312) 395-3373 or Struggles at (312) 395-9400.

Residents in a small village in Scotland schedule their television viewing according to the tides. At low tide, the nearby mud flats absorb the broadcast "waves."

First Aid

St. Therese Hospital and the Red Cross are co-sponsoring a "Red Cross Standard First Aid Course," OSHA-approved, on Sept. 22 from 8:30 a.m. to 5 p.m. in the hospital's education classroom.

Enrollment is limited. Call (312) 578-2702 to register before Sept. 19. A fee of \$6.40 will be charged to cover class materials. Each participant needs to bring a blanket and self-addressed envelope to class.

Cancer Check

This year one out of 11 women will find out she has breast cancer; and, about 34,000 women will die from the disease.

Although there's no way to guarantee that you won't be that "one" in 11, there are steps women can take to detect it in the early stages. One way, is to attend Good Shepherd Hospital's new educational program on breast cancer detection methods.

To register for the program, call (312) 381-9600, ext. 5366, between 7 a.m. and 4 p.m., weekdays.

Nylon was first introduced to the public in 1938. Research chemists of the DuPont Laboratories made this material by combining water, air and a by-product of coal.
